COMMUNITY INITIATIVE INTERREG IIIC SOUTH

ADEP PROJECT

THE OVERAL AIMS OF INTERREG III C

- ◆ to improve the effectiveness of regional development policies and instruments through large-scale information exchange and sharing of experience (networks) in a structured way,
- ◆ to promote the co-operation among the European regions, which are specialised in exchange of experience and best practice.

ADEP PROJECT PARTICIPANTS:

- ◆ The Midi-Pyrénées Region (France)
- ◆ The Navarra Region (Spain)
- ◆ The Toscana Region (Italy)
- ◆ The Pohjois-Suomi Region (Finland)
- ◆ The Border, Midland and Western Region (Ireland)
- ◆ The Podkarpackie Region
- ◆ The Kujawsko - Pomorskie Region

ADEP PROJECT NO 2S 0016 R 'DEVELOP, EXPERIMENT AND PRESERVE INNOVATIVE ACTIONS TO SUPPORT TERRITORIES' within COMMUNITY INITIATIVE INTERREG III C SOUTH

MAIN AIMS OF ADEP:

- ◆ The main objective of the ADEP is to improve regional and local policies; the improvement being supported by existing tools which link human resources with development, through for example 'capacity-building' (formation-développement).
- ◆ The interactive approach aims at inventing new model of development in isolated and sparsely populated areas.
- ◆ Associating education and local development, 'capacity - building' is a method developed in France by the Midi-Pyrénées Region, which is to be improved and further developed through the ADEP Project.
- ◆ Training is delivered on the ground and at the pace of the project. It is designed to develop the participants' know-how of resources, their autonomy and their capacity to become integrated into local professional networks.
- ◆ The territory is systematically mobilised to ensure support for project creators. In return, these creators contribute to the local economy, group dynamics and social cohesion.
